Enhance the efficiency with certification knowledge

Started in Belgium, 2001/2002

ISTQB® has created the world's most successful scheme for certifying software testers.

As of January 2021, ISTQB® has administered over 1,030,000 exams and issued more than 750,000 certifications in 129 countries world-wide.

The scheme relies on a Body of Knowledge (Syllabi and Glossary) and exam rules that are applied consistently all over the world, with exams and supporting material being available in many languages.
